**God of mercy, your Son Jesus became like us and lived like us through trouble and sorrow, shock and confusion: Grant us grace to know his compassion, to carry with us his sure sense of our every need. Give us courage to walk with Jesus, who bears our burdens and knows how fragile our endurance is. When we think we have failed, remind us that we are bearers of your steadfast love. When we are fearful and unsure, show us the shelter of your wings that stretch beyond our sight. Gather in your embrace all who long for your rest: those in despair, in pain, in fear, and those who cause our hearts to ache. Reunite us in the home you have prepared with Christ, who came to those with deepest needs and reaches out to bring all people into your joy. In Christ's name we pray. Amen.**
